

2009-2010 Webinar Series for Professional Women

Negotiation and Risk Taking to Advance Your Career

August 28, 2009 12:00 - 1:00 pm PST

To be successful in business, women need an arsenal of skills that they can cultivate and deploy in a variety of situations. At the top of the list is knowing how to:

- Cultivate confidence
- Sell their ideas
- Handle adversity
- Develop mental toughness
- Identify and conquer their fears
- Ask for what they want

Learn from the experts on how to turn challenges into opportunities and know when to take the right risk at the right time.

Your Host

Award-winning broadcast journalist Sydnie Kohara

Co-anchor, CBS 5 Eyewitness News

Guest Speakers

Jennifer Millier

Vice President, Mission Critical Business Solutions Group, Hewlett-Packard

As the leader of HP UNIX, Linux, Windows, OpenVMS, Tru64, Alpha, and MPE Research and Development organizations, Jennifer is responsible for the design and delivery of all HP Operating Environments with robust mission-critical virtualization, in-depth security and mainframe-class availability. Jennifer's managerial experience includes stints in Marketing, R&D, Supply Chain and International Business Development.

Julie Gilbert

Founder and CEO, WOLF Means Business

Julie leads a consulting company that creates growth in customer markets not previously realized based on the visionary growth process (WOLF) she created while working as a Senior Vice President at Best Buy. She has consulted with many Fortune 100 companies in the areas of creating innovation networks, reinventing

business models to achieve growth, customer and employee engagement, authentic leadership, and female and ethnic minority business growth and leadership.
